

Hey kids, you are invited to attend  
Released Time Bible classes

Dear Parents,

For more than 80 years Children's Bible Ministries has offered free, non-denominational Bible classes for children who attend public school. Classes are held once a month, during the school day. Students are walked to a mobile classroom located just off of school property or taken by van to a nearby site.

Vans will be used at: Emerald Hill, Yowell Elem., AG Richardson, Pearl Sample.

It a privilege to assist you in giving your child spiritual and moral guidance.

Students who attend will be supervised by caring, trained adults while away from school. They can earn awards and a discount to CAMP RED ARROW.

Classes consist of: - SINGING - A VISUALIZED BIBLE LESSON  
- AN EXCITING REVIEW GAME.
